

## INTRODUCTION

Dedicated to the discovery of French language and culture, this class will help you to take your first steps.

Thanks to an interactive instruction based on a conversational method, start our courses and enjoy the openness and conviviality.

When you study with CSCHOOL, you learn the language the same way you are learning your own language, is to say naturally. We focus on vocabulary and practical grammar and idioms you will use in daily situations.

Depending on your aims and availability, our priority is to focus **on you and to guarantee your satisfaction and your successful integration in France.**

## AIMS:

- To learn a new language and to be able to speak, to talk with locals and to understand them in real-life situations.
- To Learn quickly and easily
- To receive the personal attention and motivation you need to express yourself properly in French.

## REQUIRED CONDITIONS?

A smile and to feel like learning a new language and discovering a culture!

## ORGANISATION
